To Our Friends and the Public:
Don't compare this great sale with "going-out-of-business," "sacrifice," "room-making" and other sales where the strength lies wholly in the advertising and not in reality. The Globe, St. Louis's most popular store, for over a quarter of a century. The Reliable store of St. Louis, advertises the truth alone. What we say is here, is here! The Meyer Store stocks are not complete and some quantities are limited, but you'll find them here until they're all bought by you.

PROMPTLY AT 8:00 A. M. The Globe's doors will open on the greatest sale in St. Louis's history. Bought at 45 cents on the dollar, this monster stock of only the finest goods that a large department store (such as The Meyer Store) can carry will be sold at the most ridiculous prices the public has ever beheld. Don't suppose for an instant that every item in this gigantic purchase can be mentioned in this ad. 'Twould take a whole newspaper! Below is only a "bird's-eye view" of the thousands upon thousands of wonderful gifts that await you at this brilliant event Monday!
